

JOB DESCRIPTION

SEASONAL CODE ENFORCEMENT MOTOR EQUIPMENT OPERATOR

Essential Job Description:

Worker will perform semi-skilled work mowing and maintaining property within the City of Vernon that has either received code violations or is owned by the City of Vernon. Work primarily involves the responsibility of mowing assigned lots with either a tractor/shredder and / or riding lawn mower and weed cutters. Work is generally independent. Worker will receive oral and written instruction from supervisor who makes periodic inspections to ensure satisfactory performance of work. Worker uses own discretion as to the methods and tools to be used in accomplishing each assignment. Work load will vary depending on weather and growing conditions but generally will be 5-25 hours per week between 8am and 5pm daily, Monday through Friday from March to October.

Minimum Qualifications:

1. Ability to skillfully operate motorized, heavy-duty equipment and hand tools such as tractors, shredders, lawn mowers, weed cutters, chainsaws, and edger's, etc.
2. Knowledge of general care and maintenance of such heavy-duty equipment and hand tools
3. Knowledge of English usage, spelling, grammar, and punctuation
4. Knowledge of basic principles of record keeping
5. Capable of lifting at least 50 pounds
6. Possession of a valid Texas driver's license

Preferred Requirements:

1. High School Diploma plus three years related experience in the operation of heavy equipment and / or landscaping/lawn care industry
2. Knowledge of City of Vernon geography including streets and rights of ways

Must successfully complete pre-employment screenings which include: criminal background check, drug and alcohol test, and motor vehicle review.
