Mr. Kennon,

I have attached a build summary for a 2023 Chevrolet Silverado 1500 4x4 Crew Cab.

MSRP on the truck is \$49,775 and our price to the city is \$43,375

Lead time on this truck could be anywhere from 4-6 months but we are at the mercy of the manufacturer on that.

Let me know if you have any questions.

Thank you
